Discussion & Questions		40 minutes
<ol style="list-style-type: none"> 1. How does the financing mechanism address the barriers to implementing energy efficiency? 2. Are there any “lessons learned” to share with other states? 3. What resources (reports, organizations, etc.) have you found helpful in developing the financing program? 4. What information or technical assistance can EPA provide to assist states in advancing financing tools? 5. What are the applications of these funding opportunities at the local level? 		
Summary of Key Points/Technical Needs		5 minutes

Please email questions in advance or during the call to cmorris@keystone.org.
