State Clean Energy Approaches to the American Recovery and Reinvestment Act of 2009

Welcome & Overview	Julia Miller, EPA State Climate and Energy Program Cindy Jacobs, EPA Energy Star Program	5 min 5 min
Maryland	Walt Auburn, Director, Energy Efficiency Maryland Energy Administration	15 min
Iowa	Monica Stone, Energy Program Director Iowa Dept. Natural Resources	15 min
Facilitated Discussion		45 min
<ol style="list-style-type: none"> 1. How has your state prepared for directing the stimulus bill money? Have you been able to leverage other clean energy planning efforts? 2. What types of accountability mechanisms does your state plan to put in place for these programs and projects? 3. How do you plan to measure the related environmental and economic benefits? Does your state have enough capacity to monitor and evaluate progress right now? 4. What have been the biggest challenges? How are you handling these challenges in your state? 5. What efforts have you made to work collaboratively with other state agencies? 		
Wrap-up		5 min
