***Climate Change Adaptation for State and Local Governments Series
Session II: Adaptation Planning and Implementation***

Welcome	Julia Miller and Emma Zinsmeister, U.S. EPA State & Local Climate and Energy Program	5 min
Overview	Terri Cruce, Consultant, Pew Center on Global Climate Change and Georgetown Climate Center	15 min
	Q&A	5 min
State Perspective	Kurt Malchow, California Natural Resources Agency	15 min
	Q&A	5 min
Local Perspective	Mikaela Engert, City of Keene, NH	15 min
	Q&A	5 min
Facilitated Discussion	Catherine Morris, The Keystone Center	25 min
<ol style="list-style-type: none"> 1. Describe the range of planning frameworks for climate adaptation that states and local governments have used successfully. 2. How can states and communities “mainstream” adaptation planning into other planning processes and services? 3. What steps should states and communities take to integrate adaptation with mitigation planning? 4. How can uncertainty be handled in the adaptation planning process? 5. What lessons can you share about the process of moving from planning to implementation of adaptation strategies? 6. What communication strategies worked? How have you tailored your communication to the audience?
